A beautiful new musical

# LOVE STORY

THE VERY FIRST TIME OUTSIDE THE WEST END AND CHICHESTER

"Everything the film does but much better. Anyone with a heart will laugh louder, cry harder and come out singing; what more could one wish for except to see it again!" MAIL ON SUNDAY

Inspired by Erich Segal's best-selling iconic novel and one of the most romantic films of all time, this life-affirming musical is scored by the Emmy and BAFTA award winning composer Howard Goodall with book and lyrics by Stephen Clark. **LOVE STORY** transferred to the West End in 2010 following a critically acclaimed sell-out season at the Chichester Festival Theatre and received three Olivier nominations in 2011.

The story is simple. Oliver Barrett IV went to Harvard and Jenny Cavilleri to Radcliffe. He was rich, she was poor. He was sporty, she played music. They fell in love but she died. But don't be misled into thinking this is just a sad story. Far from it – it is fast moving, has delightfully funny dialogue, beautiful music and is a touching and moving celebration of love and life. Following their sell out productions of *Rent* and *Our House*, **Gallery Players** have been granted an **exclusive licence to perform this musical for the first time outside the West End and Chichester**. If you liked the book and film, you will love the musical! So book early to avoid disappointment! A celebration of love and life, **LOVE STORY** will win your heart. And it might break it.
